Opis produktu

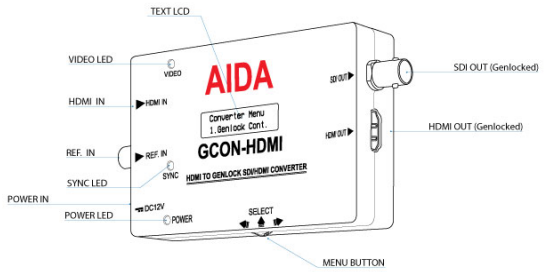

GCON-HDMI

HDMI to Genlock SDI/HDMI Converter

THE PERFECT CAMERA SIDEKICK – Professional HDMI Genlock Converter
GCON-HDMI converts HDMI sources to Genlock SDI/3G-SDI and HDMI with zero latency, keeping the integrity of the original source feed intact. GCON-HDMI supports 1080p resolutions up to 60 fps. The Tri-Level Sync Genlock featured in the GCON-HDMI syncs with other system components for seamless vertical interval switching between sources. GCON-HDMI supports ancillary data in both SMPTE 352 payload ID and audio and relays it through its SDI output. Its rugged and portable design makes GCON-HDMI a perfect camera sidekick to where it’s needed most.
