Opis produktu

AIDA HD-X3L-IP67 FullHD Weatherproof 3G-SDI 3.5X Optical Zoom POV Camera

Introducing the camera where no other AIDA products have gone before; the outdoors. Indulge in almost any environment with IP67 rated protection, covering against dust, moisture, and even water submersion up to 1m for 30 minutes. These are ideal characteristics for all-weather sporting events, professional biology research, and OB vehicles looking for that next scoop.
