Opis produktu

MS-3200

HD 12-Channel Mobile Video Studio

The MS-3200 is an all-in-one video production studio in a rugged flight case. It is perfect for outdoor events, esports, conferences, education, worship and many other applications.

The MS-3200 HD 12-channel Mobile Video Studio is the ideal solution for large-scale live events because they require up to 12 camera inputs. The system also includes intercom, recorder, waveform vector monitor, and power supply; ultimately allowing the MS-3200 to deliver a complete and easy production process on location.

Features:

- Supports up to 12 Full HD inputs in a variety of configurations
- Flight case design for portability (+/- 60kgs depending on configuration)
- Standard fitted with 8 channel intercom
- Various optional accessories available like recorders, audio mixers, test & measurement tools, Digital Intercom and many more
