Opis produktu

Kiloview LinkDeck
Link and Control Everything

The Kiloview LinkDeck Series consists of four unique design decks including Panel Deck, Take Deck, Zoom deck and the PTZ Deck, and can control all aspects of Kiloview hardware and software based on RTC technology. LinkDeck enables users to manage the whole Kiloview ecosystem including NDI ONAIR / NDI CORE*/ NDI RECORDER* / NDI Encoder / NDI Decoder / Multiview / KiloLink Server*.

By developing a 3rd-party plug-in based on Python, Linkdeck even allows interaction with systems like TriCaster and vMix.

One Cable to Have It All
LinkDeck is an IP-based solution that really helps to safe and stable transmission. All the control and management can be all set and done by only one single PoE cable.

Modular Design Brings Huge Scalability
It consists of five unique design decks including the Panel Deck, the Take Deck, the Zoom deck, the KIS Deck, and the PTZ Deck. Each deck can combinate freely to create an exclusive workbench with fully customized content. This unique design also offers Easy assembly and installation for your best user experiences.

Panel Deck - All Under Control
The Panel Deck, equipped with a 10.1” touch screen and a bi-color LED keyboard, provides the easiest way of operation and the biggest pleasure of user experience. 10.1” screen allows you to customize whatever product you want to control. Both soft keys and physical keys make everything under control. DC and PoE power also helps it to rule and be the power source of all the other Decks

The Modular Design Brings Huge Scalability
The Panel Deck also combines with other four unique design decks including the Take Deck, the PTZ Deck, the Zoom deck, and the KIS Deck.

Easy TAKING - TAKE Deck
Take Deck helps you to switch like a pro with a “T” stick and dual LED displays. 12 buttons also give a huge pleasure while creating content, Switching / FTB / Recording / Live streaming / Lock screen with one single press, is the easiest way to operate.

Pro PTZ Control - PTZ Deck
PTZ Deck gives one-handed and comfortable control of all your PTZ cameras. The simple movement of the joystick and control knob is just the ideal way of taking control.

ZOOM it! - ZOOM Deck
With Zoom Deck’s rocker, you can simply zoom in / out whenever you want. It also has 11 soft buttons for all your personal customization.
