Opis produktu

NewTek PTZ3 UHD NDI®|HX Camera

The NewTek PTZ3 UHD is the best and easiest way of getting the highest quality video and audio onto any network and into any production. The PTZ3 UHD is the only NewTek 4Kp60 camera on the market that offers both professional audio and ultra-high-definition video – all built on the unshakeable foundation of NDI®.

- One ethernet cable for audio and video, PTZ control and tally
- Professional XLR audio connection
- Sony 1/1.8" 12MP Sony Sensor
- 30 x Optical Zoom
- Ease-in and ease-out movements deliver seamless, smooth transitions
- Pristine 4Kp60 UHD Video
- Offers supports for NDI®|HX3
- Support for H.264, H.265 via NDI®|HX
